General Affairs Division, Educational Affairs Division

To all affected parents

Regarding the provision of school supplies due to the disaster caused by the heavy rainfall resulting from the low pressure and front that began on August 6, 2025

In response to the recent heavy rains, we will provide the minimum necessary school supplies in accordance with the Disaster Relief Act. Eligible individuals should fill out the attached "Request Survey Form" and submit it to their school. The supplies will be delivered via the school at a later date.

Notes

1. Eligible Individuals

Students whose homes were damaged by the recent heavy rains and who have lost or damaged school supplies that would otherwise cause delays in their studies.

○ House completely destroyed, completely burned, washed away, partially destroyed, partially burned, or flooded above floor level

Confirm the above damage status on the Disaster Damage Certificate (a copy must be submitted at a later date).

*Please obtain a Disaster Damage Certificate that lists the names of all household members.

2. Items of Payment

Items listed in the attached "Preference Survey Form"

*This applies to lost or damaged school supplies, not newly purchased supplies.

In addition, school supplies previously purchased that are not planned for future use at school are not eligible.

Please complete the attached survey form and submit it to the school by Friday, August 22, 2025.

*School supplies will be provided in kind via the school. Please note that if the amount exceeds the limit, you will be responsible for the cost and only a partial payment will be provided.

Limit: (Elementary school students) approximately 50,000 yen, (Junior high school students) approximately 60,000 yen

*If you have any other questions, please contact the information below.
